- We will then follow up the claim when necessary until settlement is reached, however, please feel free to call at any time

WHAT AN ASSESSOR WILL DO:-

- An assessor is an independent person who is appointed by the Insurer for their expertise in helping you finalise a larger or more difficult claim
- They will interview and obtain details of a loss and arrange for quotes and prepare the necessary paperwork
- The assessor is your contact point
- The assessor will write a report to the Insurer recommending a course of action
- This can take time depending on their work load and Police Reports
- The Insurer will not act until these reports are received and although not bound by the assessor recommendations, the Insurers usually accept these reports.
- If you are unhappy with any aspect of the claim, advise the assessor. If he is unable to correct the problem then contact us immediately. We will not know of any problem without being advised.
- If you are unhappy with the assessor's responses, contact us immediately.
